10"	\$790.25	\$996.00
12"	\$1,221.40	\$1,473.02

When two or more meters are installed or parallel the customer charges will be based on one meter size larger.

2. USAGE CHARGES

The following shall be the rates for water usage and are in addition to the customer charge and public fire protection charge.

<u>Monthly Usage – Gallons</u>	<u>Rates per 1,000 Gallons</u>
First 10,000	\$4.96*
Over 10,000	\$2.17*

Multiply units – When multiple units are served by one meter, the above usage rates shall be applied on a "per unit" basis.

3. PUBLIC FIRE PROTECTION CHARGES

Application to all metered water service customers (except for Sales for Resale) located in a municipality, township, or fire protection district in which public fire hydrants are connected to Company's water mains.

Monthly Charge

All metered water service customers (except Sales for Resale) located in a municipality, township, or fire protection district in which public fire hydrants are connected to Company's water mains shall pay a Public Fire Protection Service Charge in the amount as set forth below, such charge being in addition to the rates and charges set forth elsewhere in this tariff for regular water service.

<u>Location</u>	<u>5/8"</u>	<u>3/4"</u>	<u>1"</u>	<u>1 1/2" &amp; Larger</u>
Lake County	0.77	1.15	1.93	3.84

\* Subject to the water tracking factor in Appendix A.

4. WATER PLANT FUND

All applications for new water service connections shall be accompanied by a contribution as follows:

Domestic:

Single Family Residence .....	\$200.00
Apartment – 3 Bedroom.....	\$200.00
Apartment – 2 Bedroom.....	\$150.00
Apartment – 1 Bedroom.....	\$100.00
Apartment – Efficiency.....	\$50.00
Mobile Home.....	\$120.00

Commercial and Industrial:

Each 100 gals. per day average usage..... \$50.00

In the case of commercial and industrial customers, the initial determination of the amount of contribution will be made by the Company based on information supplied by the prospective customer relating to quantities of water to be used. If, during the period of water service to such customers, the quantity of water actually used by such customer is found to be substantially (more than 10%) different from originally estimated, the contribution required herein will be recomputed based on actual usage and the difference between the original contribution and the recomputed contribution will be paid by the customer if the recomputed contribution is higher or refunded by the Company if the recomputed contribution is lower.

All contributions received by the Company in accordance with this Rule will be identified as such on the books of the Company and will be used only for the purpose of providing additional source of supply, pumping, purification, storage or water transmission facilities. Any such facilities provided will at all times be the property of the Company.

SCHEDULE OF SEWER RATES AND CHARGES - S-4

Applicability: Applicable to current and future customers receiving water utility service from system operated by the Aboite Wastewater Division of Aqua Indiana, Inc. and previously operated by Utility Center, Inc. in Allen County, Huntington County and Whitley County, Indiana.

A. GENERAL METERED RATE

For use of and service rendered by the sewer utility system of the Company, the sewer consumption in gallons shall be based on the metered use of water supplied at the customer's premise.

Metered Rate Per Water Meter per Month

Service Charge per Month – All Meter Sizes	\$ 30.85
Volumetric Charge per Thousand Gallons per Month – All Meter Sizes	\$ 4.91

B. UNMETERED RATE

Residential customers not having a water meter to determine actual consumption for the billing month shall be billed on a flat, unmetered, uniform rate. Non-residential customers or customers with service lines estimated to be larger than a 5/8-inch equivalent service line and not having a water meter to determine actual consumption for the billing month shall be billed on flat, uniform rate based on a meter equivalent basis or equivalent establishment defined by the Company.

Unmetered Rate per Month

Unmetered Residential Rate	\$ 60.33
Unmetered Non-Residential Rate	Customer Specific based upon equivalent flow of single family residence.

APPROVED BY  
CONFERENCE MINUTES

INDIANA UTILITY REGULATORY COMMISSION

C. SYSTEM DEVELOPMENT CHARGE

System Development Charge \$ 1,300.00 per equivalent dwelling unit

A system development charge will be billed for each new connection to the system. One-half of the system development charge is to be paid upon request for service and one-half to be paid upon connection of service.

D. INSPECTION FEE

The hourly charge for utility personnel to inspect sewer lines installed by an outside contractor shall be \$32.00 during regular business hours from 7:30 a.m. to 4:30 p.m. weekdays. The charge for inspection after regular business hours and on weekends shall be a two-hour minimum charge of \$85.00 and an hourly charge of \$40.00 for each additional hour. This fee will be charged to the party requesting the inspection.

E. LATE PAYMENT CHARGE

The Company will collect a late payment charge in the amount of ten percent (10%) of the first three (3) dollars of a delinquent amount and three percent (3%) of the delinquent amount in excess of three (3) dollars.

F. RECONNECTION CHARGE

When service is turned off for non-payment of bill, or for any reason beyond the control of the utility, and a re-establishment of service is required by any one customer, a charge will be made by the utility to cover the cost of discontinuance and re-establishment of service. The customer shall pay the charge, together with any arrears due the utility, before service is re-established. The amount of this charge shall be \$35.00 for customers receiving service under the General Metered Rate. For customers receiving service under the Unmetered Rate, the amount of this charge shall be \$ 800.00 where the Company physically disconnected a customer with the installation of a shut-off valve. In those situations where the Company can re-establish service to a customer with the use of a valve previously installed at the customer's location, the charge shall be \$35.00.

G. RETURNED CHECK CHARGE

Each customer who causes a check to be returned by their financial institution due to their account not having sufficient funds to allow such check to be processed, shall be charged \$34.00 to cover the cost incurred by the utility having to re-process the original transaction.

#### H. DEPOSITS

The utility may require a reasonable deposit from a customer to secure payment of charges for services if the utility determines that the customer or applicant does not meet the criteria for creditworthiness set forth in the Rules and Regulations of the Commission. The standard deposit for service shall be \$50. However, such deposit, if required, shall not exceed an amount equal to 1/6 of the expected annual billings for the customer at the address at which service is rendered. Interest on and refund of such deposits shall be in accordance with the Company's rules and regulations.

#### I. SERVICE CHARGE

When service is requested by a customer to perform a repair on their property for any reason beyond the control of the utility, a service charge of \$32.00 per hour during regular business hours of 7:30 a.m. to 4:30 p.m. weekdays, will be made and added to the customer's regular monthly billing and made a part thereof, subject to the rules and regulations pertaining to such billings. If the service call is made after regular business hours, the customer shall be charged a two hour minimum charge of \$87.00 and \$40.00 for each additional hour of service. These charges will be assessed in the same manner as listed above.

#### J. ESTABLISHMENT OF SERVICE FEE

Any new sewer customer requesting service to which the General Metered Rate will apply at a premise not previously connected shall be charged a fee of \$26.00 to cover the administrative cost to initiate service for the residence or business. For customers requesting service to which the Unmetered Rate will apply at a premise not previously connected shall be charged a fee of \$16.00. This one-time service fee will be charged to the customer's regular monthly billing.
